Ride Calendar

September-December 2026

The Central Coast Touring Cycle Club is a group of easy-going, sociable people who meet regularly to ride bicycles and share the benefits that such a healthy pastime brings. We are not a racing club. The pace is generally 18-20 km/h with stops along the way to regroup or take in the scenery. The rides are graded 1-10 and the 1st Sunday a month we try to have an easy paced Grade 3 (30-40 km) ride suitable for less experienced riders. At other times we have longer road rides, mountain bike rides or rides away.

Membership currently costs \$25 Please use this calendar to contact one of our leaders and join us on a ride.

Visitors, guests and prospective members are asked to contact the ride leader before joining any ride.

All riders must be over 18 years of age

Gosford Start: **Lion's Park, Gosford waterfront, near Gosford Sailing Club.**

Wyong Start: **Wyong Bowling Club car park, near Wyong River Toilets.**
